Dear Esteemed Guests,

On behalf of the Hungarian University of Fine Arts, I extend a warm welcome to each and every one of you participating in our International Week. We are honoured to have you join us for this momentous occasion.

The essence of education lies not only in the pursuit of knowledge within the confines of classrooms but also in the exploration of different cultures, traditions, and perspectives from around the world. Events like International Week offer us the invaluable opportunity to broaden our horizons, foster meaningful relationships, and cultivate a spirit of global citizenship.

Throughout the week, we have curated a diverse array of activities, workshops, and presentations that aim to showcase the richness of cultures represented within our university community and beyond. From engaging discussions to captivating performances, this week should be enlightening and enjoyable for all.

As we embark on this journey together, let us strive to learn from one another. May this International Week serve as a catalyst for forging lasting friendships and fostering a greater understanding of the world we inhabit.

Once again, welcome to the Hungarian University of Fine Arts first International Week. Your presence enriches our community, and we are delighted to share this experience with you.

Warm regards,

Dr. habil. István Erős DLA
